Policy re. Transition Year Students and Work Experience

Ballintemple N.S. welcomes past pupils on work experience. However, because of the large number of transition year students seeking placements, it has been decided that only past pupils can be accommodated.

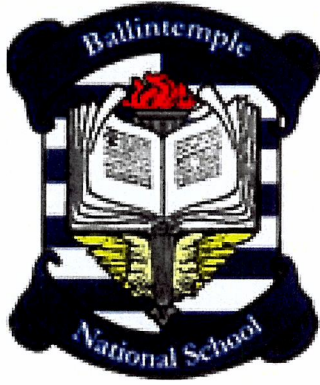

Following agreement by staff, a timetable has been drawn up for work experience students. The timetable is attached to this document.

This policy and the timetable will be reviewed from time to time or as the need arises.

This policy was ratified on 3RD OCTOBER 2017

Signed: Joan Keogh

Chairperson B.O.M.
